Made in Vietnam

Trust Shapes Us, Quality Elevates Us, X Inspires Us

"X" stands for Top 10
Our goal is to become one of the Top 10 dental laboratories in the world.

- It's the mark of choice
- It represents a future built on **commitment and trust**

marks the trust

Our Story

Founded in 2017, XDENT LAB has grown from a small local facility into a globally recognized company. With dedication at the core of our journey, we have expanded from a team of just five into a thriving enterprise with two factories in Ho Chi Minh City and Kizuna Industrial Park, Vietnam.

Today, with a team of over 100 technicians, we proudly serve 100% of our customers from the U.S.

2017

The Beginning

Established XDENT Dental

Design Service – A CAD design
center with 5 employees.

2019

A Major Turning Point

Invested in equipment, transforming into XDENT LAB. Specialized in C&B restorations, focusing on the U.S. market. 2024

Expansion at Kizuna

Developed a manufacturing facility in Kizuna.

Specialized in Removables, enhancing service capacity.

From "Proudly Made in Vietnam" to "American Dream", we are committed to precision and excellence, delivering outstanding customer service in every restoration.

Our Mission

Built to Last

We aspire to build XDENT LAB into a Global & Enduring company.

Top 10 Dental Lab service providers in the world.

Our Vision

Lead. Trust. Vietnam

We aspire for the national brand "Made in Vietnam" to become a trusted choice for dental labs and clinics worldwide.

Business philosophy

Driving by Trust, Delivering with Consistency

TRUST

We always uphold Trust as our guiding principle in all business activities.

PEOPLE COME FIRST

We always Serve the community, with a spirit of giving and support.

WIN - WIN TOGETHER

We always operate under the Win-Win Together philosophy: benefiting ourselves, our partners, and the community.

Kindness - We believe that "Kindness" is inherent in everyone. We want to promote Kindness through daily work: Think good, do good.

04.

Speed - We understand that speed in production is a competitive factor, reflecting professionalism and commitment to our customers. Ensuring speed allows us to meet deadlines, maintain stability, and deliver exceptional service, setting us apart in the industry.

03.

Compliance - We believe that Compliance is an important factor in production: Compliance with procedures, Compliance with regulations. Compliance helps us create consistent quality products. Compliance helps us have a professional working environment.

05.

Our Core Values

Part of our DNA

Dedication - We believe that the quality of being dedicated to our customers, partners and employees is the most important. That helps our Partners see us as a **trusted partner**. It is the foundation that helps us provide excellent customer service.

Savings - "A small leak will sink a great ship." Small inefficiencies in production, if left unchecked, can lead to significant losses. We always strive for smart and effective savings by using materials efficiently, **streamlining operation**s, and eliminating waste, while still ensuring the highest quality.

Growth Together

Proud to Be a Strategic Partner of Evident

We are proud to be a strategic partner of Evident, one of the world's leading providers of dental CAD design solutions.

This partnership brings a powerful synergy that benefits dental labs worldwide: Al-powered, world-class CAD design by Evident is seamlessly integrated with precise, quality controlled manufacturing by XDENT LAB, ensuring exceptional consistency, efficiency, and scalability across the Digital Denture and Implant workflow.

The collaboration between XDENT LAB Vietnam and Evident is not just a technological step forward, it's a shared commitment to building a smarter, more efficient, and trustworthy Lab-to-Lab ecosystem.

Through full integration from design to manufacturing, we aim to deliver sustainable value to labs worldwide, especially in the U.S. market, where Trusted. Commitment. Quality are key

Press Release -LMT Magazine

We are proud to be featured in Lab Management Today (LMT) with the press release "XDENT LAB Enters US Market, Opens Second Location."

As highlighted in the article:

"XDENT LAB's new facility is strategically designed to optimize the production process of Removable Dentures, meeting the strict standards of the U.S. market, with a total area of 1,500m². Over the years, the company has meticulously refined its production process, prioritizing strict procedural compliance to ensure consistent quality and on-time delivery."
